MORE DETAILS

CMC's new and improved G11 represents our next generation of high strength, low volume 11 mm G-Rated rope. Constructed with a higher carrier count than its predecessor, our new G11 has greater sheath durability, more strength, and less elongation. Its Kernmantle polyester sheath and nylon core are optimized for enhanced safety, performance, and knotability.

CMC G11 is a complete rope with a well balanced composition. It provides a firm, cohesive feel while remaining supple, lightweight, and easy to handle. Built to perform and endure, CMC G11 is ideal for use in NFPA General Use 11 mm rope systems like the Double CLUTCH TTRS. CMC G11 runs smoothly and stands out. Available in 4 bright colors with a white X pattern tracer.

FEATURES

- 11 mm (7/16 in) G-Rated rope
- High strength, low volume
- Exceptional sheath durability
- Lightweight and easy to handle
- Builds 11 mm G-Rated Systems
- Polyester sheath (48 carrier) & nylon core
- Available in 4 colors with white tracer

CMC G11
Weight and Volume Savings

25% lighter than
13 mm Rope

25% less volume than
13 mm Rope

Approximate values based on industry averages.

Item #	NFPA Rating	Color/Stripe	Diameter	Elongation Percent at			3 Sigma MBS	Weight per 100 ft
				1.35 kN (300 lbf)	2.7 kN (600 lbf)	4.4 kN (1000 lbf)		
283131	General Use	Orange/White	11 mm (7/16 in)	3.1	5.1	7.6	40.5 kN (9,107 lbf)	2.8 kg (6.25 lb)
283132	General Use	Blue/White	11 mm (7/16 in)	3.1	5.1	7.6	40.5 kN (9,107 lbf)	2.8 kg (6.25 lb)
283133	General Use	Red/White	11 mm (7/16 in)	3.1	5.1	7.6	40.5 kN (9,107 lbf)	2.8 kg (6.25 lb)
283134	General Use	Yellow/White	11 mm (7/16 in)	3.1	5.1	7.6	40.5 kN (9,107 lbf)	2.8 kg (6.25 lb)
