Product Information Notice

June 29, 2026

Product: CMC CLUTCH™ by Harken™

Part Numbers: 335011, 335013

CMC recently discovered that the date of manufacture was not properly marked on a limited number of CLUTCH 11 mm and 13 mm units (Part numbers 335011 and 335013).

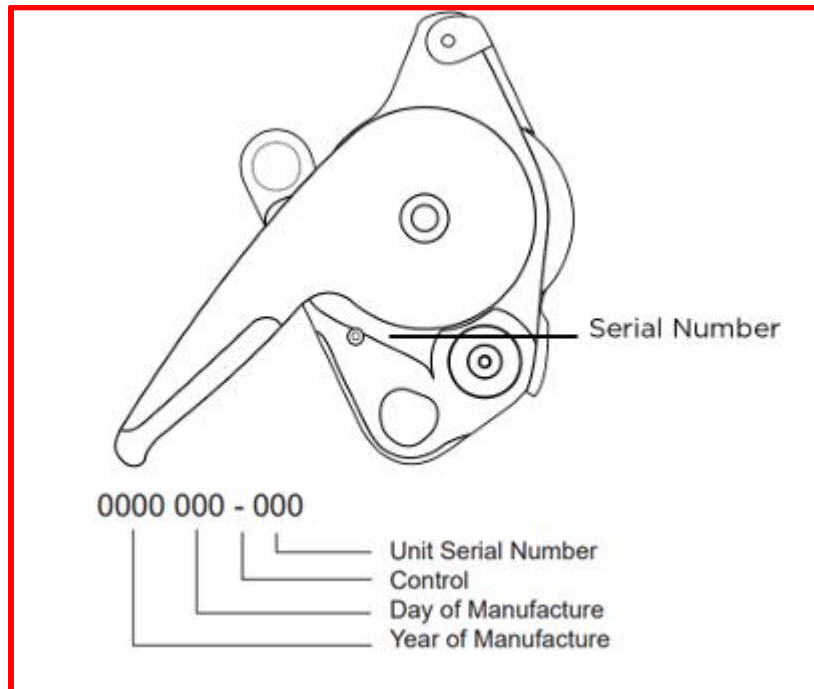

The serial number-based date codes for these products do not align with the Julian date coding system used during that production period to mark the units. Please see below for the correct serial number that corresponds with the correct physical date of manufacture.
