It has come to our attention that the above mentioned Advantage Serial numbers may have included the label,

on the stretcher. This label is for our Titan Stainless Steel series stretchers and is not part of the manufacturing process for our Advantage Stretchers. The Advantage does not meet NFPA 1983 nor has it been tested to meet this requirement.

If you have one of the Serial numbers (listed above) with the Titan Stainless Steel Basket Stretcher label, please remove the label immediately.

Contact all your customers that may be affected by this field correction.
